CP9800DW NEW

*Produces beautiful images with
exceptional resolution and deeper black tones.*

Key Features

● High Grade Picture Quality

"High Grade Consumable" is adopted on the Mitsubishi Electric CP9800DW to deliver higher image quality with deeper black tones.

● Mitsubishi Adaptive thermal-head Management Engine

New color management engine provides clean vivid images and smear-free gradation.

● High-Speed Output & Improved continuous printing capability

New print speed of 8.7 seconds for a 4x6" print. Consistent printing speed offering 100 prints in only 15 minutes.(4x6" print)

● Longer Service Life and Improved Print Heads

A protective film applied to the heads enhances durability, while use of a back-layer ink sheet diminishes the wear rate.
