

Appendix

Setting up a #Hashtag print service (1/5)

1.- Setup the SmartD90 to get Internet access. You can setup a Wireless or Wired connection. To setup the SmartD90:

- [Log in](#) to the SmartD90 settings
- From the [Start page](#), click “stop service”, select Top menu and [System settings](#).
- To setup a **wireless** connection to the network that will provide Internet access:

Smartphone setup to share Internet access

Router as access point to provide Internet

Wi-Fi setting :

Internal Wi-Fi(AP)

SSID : #PhotoPrint

Pass :

Channel : 11

Internal Wi-Fi(Client) Enable

SSID :

Pass :

DHCP : Enable

External Wi-Fi(USB) Disable

External Wi-Fi(LAN) Disable

Bridge Mode Enable

Type SSID and Pass as is setup at the device that provides Internet connection.
If the router doesn't provide DHCP, then disable DHCP at SmartD90 System settings and type the IP provided by the router.

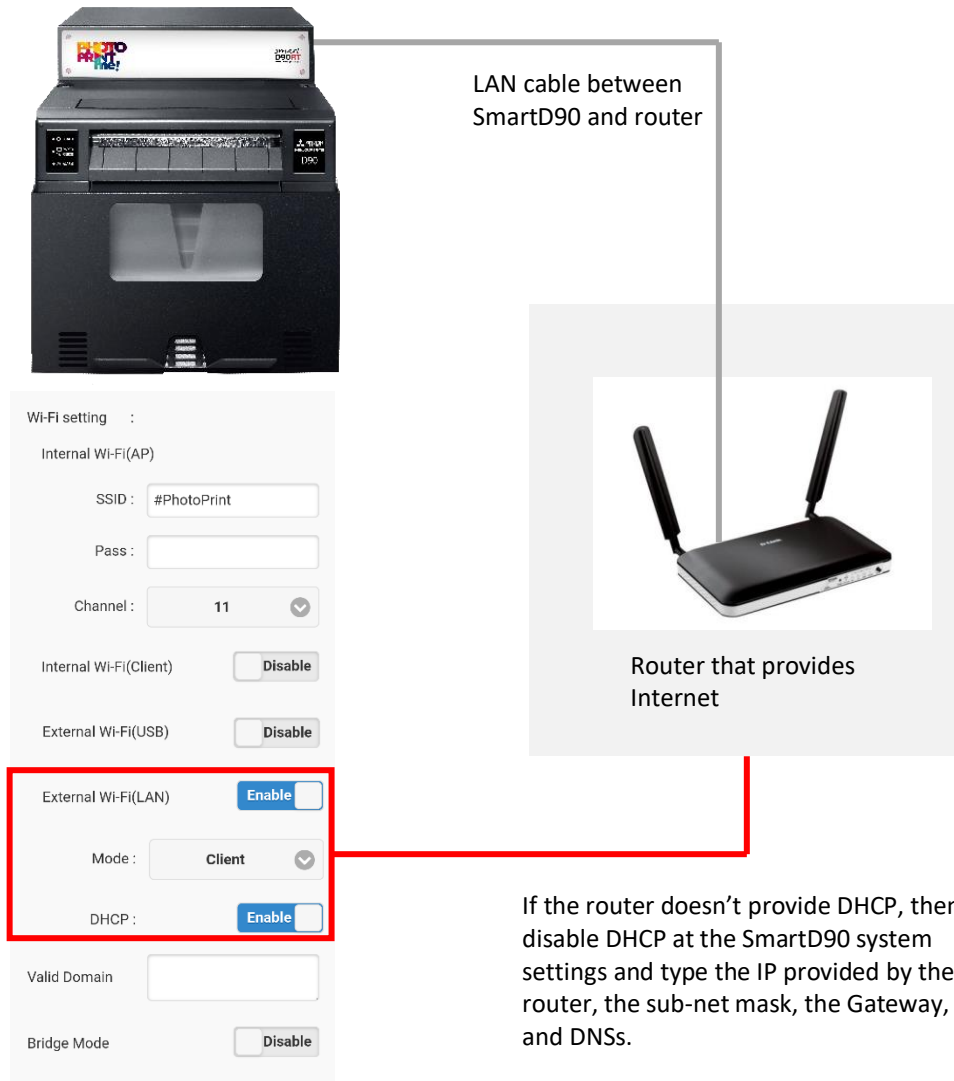

Click set to save changes:

Setting up a #Hashtag print service (4/5)

3.- Register your #Hashtag service license and setup a #Hashtag print service event:

- Go to the software license management platform: <https://www.mecloudprinter.com>
- Sign in if you already have an account or create a new account by clicking “Register” from the top bar menu:

The screenshot shows the top navigation bar with the Mitsubishi Electric logo and the tagline "Changes for the Better". The navigation menu includes "HOME", "Register", "Licenses", "Support", and "Help". A "Login" link is visible in the top right corner. The main content area features a "Welcome" message, a login form with "Email address" and "Password" fields, and a "Sign in" button. Below the form, there are links for "Register new account" and "Did you forget your password?".

Welcome to the software license management platform of Mitsubishi Electric B.V. Photo Printing Solutions.

Manage your licenses and associated devices from this site.

Thank you for your confidence in our products and solutions. If you want to know more, visit our website or contact our distributor

www.mitsubishielectric-printing.com

- Click Licenses from the top bar menu to activate your #hashtag service license:

The screenshot shows the "Licenses" page with the Mitsubishi Electric logo and tagline. The navigation menu includes "HOME", "Licenses", "Support", and "Help". A "Logout" link and the user email "test@gmail.com" are visible in the top right corner. The main content area features a "LICENSES" heading and a note that "All fields are mandatory". Below this, there is a "New license activation" section with a "License key" field containing a masked key "xxxxxxxx-xxxx-xxxx-xxxx-xxxxxxxx". An "Identity confirmation" section includes a "User account password" field and an "ACTIVATE" button.

Setting up a #Hashtag print service (5/5)

- Once you have register your license, a new Item will appear on the top menu bar.

The screenshot shows the Mitsubishi Electric software license management platform. At the top left is the Mitsubishi Electric logo with the tagline "Changes for the Better". The navigation bar includes "HOME", "Licenses", "Hashtag Console" (highlighted with a red box), "Contact us", and "User guide". On the right side of the navigation bar, there is a "Logout" button and a user profile icon. Below the navigation bar, a large grey box contains the word "Welcome". Underneath, a message reads: "Welcome to the software license management platform of Mitsubishi Electric B.V. Photo Printing Solutions. Manage your licenses and associated devices from this site." Below this, another message says: "Thank you for your confidence in our products and solutions. If you want to know more, visit our website or contact our distributor" followed by the URL www.mitsubishielectric-printing.com. A section titled "What do you want to do?" is followed by two red circular buttons: "1. Create a new user account" and "2. Activate or extend a Hashtag license".

- Click on “#Hashtag Console” button to add the printer and setup your #Hashtag event.

The screenshot shows the Mitsubishi Electric software license management platform interface. At the top left is the Mitsubishi Electric logo with the tagline "Changes for the Better". On the right side, there is a "vis.phone04@gmail.com" button and an "Exit" button. Below these buttons, it says "licensed until 29/11/2018". The main content area is titled "Event Printer list". Below the title, there is an "Add" button and a "global search" input field. Below the search field, there is a table with the following columns: "Printer", "Location", "Hashtag", "SocialNets", "Status", "System ID", "Magic Word", and "Actions".
